

Stritch School of Medicine Student Log

During each rotation, you will receive a pre-determined set of cards to keep track of your patients as well as disease and procedure experience. On these cards, you will track the type of encounter you experience:

Assigned: Cases in which you have written an H&P, consult or progress note; these patients can be seen on an inpatient or outpatient basis.

Not Assigned: Problems observed on team round or in clinic where you did not actively participate in the care of a patient.

Simulation: These experiences include viewing videos, using computer aided modules, standardized patients, etc.

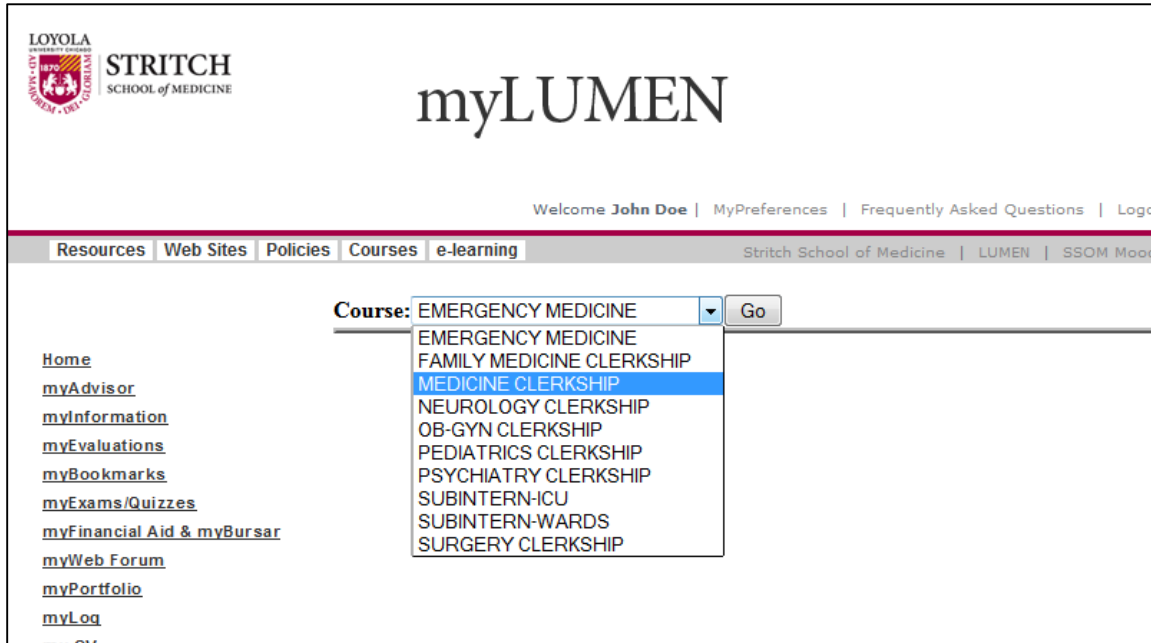

My Log Data

1. To begin to transfer the data from your cards into the online log system, log into myLUMEN, and click myLog in the left-hand menu.

The screenshot displays the myLUMEN website interface. At the top left is the Loyola University Chicago Stritch School of Medicine logo. The main header area contains the text "myLUMEN" and a navigation bar with links for "Resources", "Web Sites", "Policies", "Courses", and "e-learning". Below the navigation bar, there is a "Welcome John Doe to My Log Data System..." message and a "Student Log User Guide" link. The "My Log Menu" section is prominently displayed, listing several options: "My Log Data", "My Log Procedures", "Problems Not Encountered", and "PCM3 Mentor Log". On the left side of the page, there is a vertical list of links, including "Home", "myAdvisor", "myInformation", "myEvaluations", "myBookmarks", "myExams/Quizzes", "myFinancial Aid & myBursar", "myWeb Forum", "myPortfolio", "myLog" (which is circled in red), "my CV", "Clerkship Track System", "Case Study", "Elective Registration", "Service/Site Options", "MSPE (Dean's Letter)", "Observership/Shadowing", "Graduation Requirements Audit", and "Student Affairs Presentations".

2. Click on My Log Data, and select the appropriate clerkship from the available drop-down list:

3. Note there are three pre-filled drop-down lists:

- **Card:** Select the appropriate card number which you are entering; rotations have between 1-4 cards each. If a rotation has three cards, then you are expected to enter all three in the online system.
- **Site:** Select the appropriate location at which you did your rotation.
- **Type:** Select either Disease or Procedures from the drop-down list to enter the appropriate information. You will need to enter both Diseases and Procedures for each card.
