Laboratory Security

1. The Multifunction Labs are open 24-hr a day, 7 days a week, to first year medical students, faculty and residents possessing the proper identification and key card access. Students are expected to comply with the Rules and Guidelines at all times.

2. Visitors to the facility must be cleared through the course director.

3. At specific times (to be announced) the labs will be closed in order to prepare for and administer examinations.
