STUDENT EVALUATION OF PRECEPTOR

Now that you have had the opportunity to spend approximately 6 months with your preceptor fulfilling the Preceptor Program requirement, your evaluation of the program and your preceptor is most critical.

The final requirement of this component of PCM 2 is your evaluation. Please answer the following questions, and feel free to add your comments. Return to Les Medley ASAP after you have completed the Program. Thanks, so much.

Mike Koller, MD, Course Director

Mary Boyle, M.D. Assistant Course Director

TOPIC	ANSWER/COMMENT
My site assignment was accessible and accommodating.	
My preceptor made time for me.	
My preceptor provided constructive feedback in a timely manner.	
My preceptor (or designate) usually answered my pages/calls to set up patient interviews and appointments.	
My preceptor found worthwhile patients for me to interview and examine.	
My preceptor provided feedback on my write-ups.	
My preceptor watched me do part of a history on a patient.	
My preceptor directly observed me do some of the physical exam steps.	
I felt safe at the preceptor's office/hospital	
I would recommend this site/assignment for next year.	
I would recommend this preceptor again for next year
