INSTRUCTIONS: At mid rotation, you should evaluate this student’s clinical performance so far and provide him/her with feedback so that adequate time remains to correct any problems and to give him/her maximum opportunity to improve before the end of the rotation. Identify the student’s strengths and weaknesses regarding the following areas of competence and comment upon each in the space below. This evaluation will NOT be used in determining the student’s Final Grade in the Clerkship. This evaluation may be signed by the resident.

Clinical Knowledge:

_________________________________________________________

_________________________________________________________
