Parking	There is a parking lot in front of the hospital that is free.
Reporting Time & Location	<p>Report to Karen Bailey in the Medical Staff Office located on the 1st Floor (enter through entrance 4, make a left in the hallway, pass a set of restrooms, next door is the Medical Office). Be sure to have your Loyola ID with you.</p> <ul style="list-style-type: none"> • After this has been completed, report to the 2nd Floor ICU department by 8:50am to meet with your team.
Food	The hospital cafeteria is located in the basement. There is also a sandwich shop by the gift store and a Farmer's Fridge in the same area.
Conferences/Location	N/A
Storage/Locker Location	There are no lockers; students usually put their personal belongings in the attending office or the workroom.
Study/Rest Area	There is a small room in the ICU where students can work, has a computer, etc.
Site Description	This 16 bed community-based ICU is staffed by 3 ICU attendings who are present and available in the ICU all day. Unlike academic medical centers, the Gottlieb ICU has no resident coverage giving the students the rare opportunity to work one-on-one with the attending physicians. Students will participate in daily rounds (the nurses present the patients but the student can ask questions and help develop the plan), call consultants, write notes, place orders and update families. If interested, students are encouraged to take an active role in procedures such as intubations and central and arterial lines.
